

## South King County Projects Update

---

*Edition 71, Jan. 10, 2006*

### In this issue:

- South King County traffic closures this week
- WSDOT plans to accommodate traffic near airport with new ramp and interchange improvements
- Highway advisory radio updates

## South King County traffic closures this week

### Interstate 5

- Expect weekday closures of the left lane of southbound I-5 between Military Road and S. 320<sup>th</sup> from 6 a.m. to 1 p.m. These closures will keep drivers safe as construction vehicles enter and leave the median work zone.
- Expect nighttime closures of the left lane in each direction of I-5 from S. 320<sup>th</sup> to the Pierce County line for concrete paving (weather dependent) and sweeping.
  - On Monday, Tuesday and Thursday, the southbound left lane will close from 8 p.m. to 5 a.m.
  - On Tuesday, Wednesday and Thursday, the northbound left lane will close from 7 p.m. to 5 a.m.

## WSDOT plans to accommodate traffic near airport with new ramp and interchange improvements

The [SR 509/SR 518 Interchange Project](#) will complement the planned additional eastbound lane on SR 518 ([last week](#)'s featured project). In this interchange project we plan to add a ramp from southbound SR 509 to eastbound SR 518. We're also planning to change the [interchange configuration](#) to improve traffic flow and enhance safety.

The 2005 gas tax ([Partnership funding](#)) provides \$6.25 million for this project. We're currently in the planning phase of this project, and expect to move into the design phase early this year.

## Highway advisory radio updates

Tune your radio to 1520 AM to hear a new project update each week on I-5 in Federal Way. Questions or comments? E-mail [Laura Johnson](#).
